From the Editor

In this December 2022 issue of **Felis**, we feature another article about one of our pure Siamese cat breeders, Shiloh Cattery. If you would like to participate and promote your cattery in a future issue (see inset below), please let us know. Once again we have some show results for you. The Membership Drive will not go ahead in 2023. Thanks to Sandra Sweetman for her continued efforts organising this Drive during past years, and for her contribution of show results to Felis. Thanks also to Tony Hurry for assisting with show results and proof-reading Felis.

Payment details for advertising space in **Felis** are available on the Membership application form, which can be pulled out from the centre of this issue.

Please make sure you have submitted your registration details to our Secretary:

Sharon Black: tamjanasiam@optusnet.com.au.

If you have any news, photos or stories of your cats, kittens, or stud updates etc., all are welcome. If you wish to add or correct any details in our Breeders and Stud Lists posted on our website and in Felis, or contribute in any way to our next issue of Felis, please email the Felis editor:

Marion Anstis at: frogpole@tpg.com.au

Note for your Diary

NOTICE OF SCS AGM AND GENERAL MEETING, 2023

The Annual General Meeting of the Siamese Cat Society will be held at the Royal Cricketer's Arms at Prospect at 11.30am on 28 January, 2023, followed by the General meeting at 12.30pm. All members welcome.

If you would like your cattery promoted in a future issue of Felis, please send your story and photos to the editor:

Marion Anstis: frogpole@tpg.com.au

And if you need more photos of your breeding cats and kittens for this, a visit to your cattery may be possible.

The Siamese Cat Society Inc.
would like to express our special
thanks to:

Hugo, our stud cat (*ACF Silver AoE Platinum Double Grand Champion & CCCA Champion Astraxalotte Akoni Gem*)

Astraxalotte Anela Kai, lilac point female

I was introduced to the breed of Siamese cats when my daughter asked for a pet cat, way back in 1990, and to this day I am still not sure what possessed me to purchase one for her.

When I was growing up all the neighbours' cats were really friendly towards me, except for the two Siamese cats that lived next door. Despite this, and with some apprehension, we contacted a local breeder of Siamese, Mary Sherwood, and put a deposit down on a seal point boy.

When we went to collect him, however, this cat took one look at us and fled! It took us nearly an hour to locate him. He was hiding, tucked up

into a little ball inside Mary's stereo unit. I remember how he howled all the way home and I felt sure we had made a huge mistake! Amazingly he settled in straight away and Comenarra Lancelot became part of our family for many years. Although we didn't buy him as a show cat, Mary encouraged us to show him and he won many Best in Shows and was awarded Siamese Cat of the Year several times.

We first started breeding by purchasing his niece, a blue point who became the basis of our breeding program: Comenarra Blue Pilar. Her mother was Double Grand Champion (*DGCh*) Comenarra Lilac La Bop and father *DGCh*

DGCh Lookatmese Akira's Sonnet , female lilac point

Coslinkar Cool Blue, whose father was DGCh Comenarra Blu Galivant. Our first litter from Blue Pilar was in 1991, a litter of five, three girls and two boys. At that time, kittens sold for \$150-200! We bred cats during the 1990s up until 2002. After a break, we came back to breeding this unique breed of cat in June 2012 and today our breeding experience spans 22 years.

Our Cattery name is **Shiloh Siamese**. Shiloh means '*gift from God*' and '*peaceful one*', but can also mean many things for different people: from a neutral baby name to tranquil, abundance, and His gift to the Neil Diamond song. Shiloh is a person, place, and a promise with Biblical roots.

Our stud cat is Hugo (*ACF Silver AoE Platinum Double Grand Champion & CCA Champion Astraxalotte Akoni Gem*). I think we fell in love with baby Hugo at first sight: a '*pure one breed*' Siamese with fully Hawaiian lines, but bred in Australia by the local Gallagher Family. We feel

honoured that we were trusted with this beautiful blue point stud cat. The name Akoni in Hawaiian means 'worthy of admiration or praise' and for us this cat has definitely lived up to it.

Hugo commenced his show career when the Gallagher Family entered him as a litter kitten on 8th March 2020 at the Goulburn Agricultural Show. Here he won 2 x 3rd, a 1st place and then went on to win the Judges Choice award. Due to COVID and lock down he was only able to be shown twice as a kitten, as there was not another show until the end of the year. On 24th May the British Shorthair Cat Club & the Siberian & others Cat Clubs held a 4 rings virtual cat show with International Judges and we entered him as a kitten. Hugo came out with: 2 x 3rd, 2 x best group 2 kitten, Supreme Exhibit ring 4 and then went on to win the Supreme of Supremes overall Exhibit out of 179 exhibits. Cats NSW then held a Cat Show on 18 July 2020 where he came out with 3 x 1st Best Group 2 kitten and went on to win 3rd place in the 2020 Cat of the Year and was also 2nd place in the entire.

Hugo's career didn't stop there. Over the following two years he has won many Best in Show awards and came out 2021 Cats NSW top scoring Group 2 cat. Over this period he has gained his Award of Excellence Silver ACF and Platinum

DGCh titles. This year, at the Siamese Cat Society of NSW Cat Show 2022 Speciality ring that was part of the Cats NSW 'Pet Show' on 5th November, 2022 he came out best 'pure one breed' Siamese winning the overall top award: The Joyce Selby Memorial trophy awarded to the Best Group 2 Siamese Exhibit. He also won a trophy that dated back to 1990: the 'DGC Comenarra Blu Galivant' that was donated by the late Mary Sherwood for the best male cat.

Hugo's gentle and loving temperament comes from Akoni Gem, his father, who was a legend on the show bench: Kaluamoa Awesome Gem, or Gem as he was known. Hugo passes Gem's characteristics on to his offspring. Hugo loves going to Cat Shows and he is renowned for purring for a Judge if they spend the time to pat him.

We also have a female breeding cat that the Gallagher Family bred: Zoe (*Astraxalotte Anela*

Kai) a beautiful lilac point who has come out 1st top kitten in this year's Cat of the Year awards.

In addition, we have acquired two interstate bred cats with incredible loving temperaments, and thank Amie and Jay Hobbs for entrusting us with these two girls: a blue point female: Sonnet (*DGCh Lookatmese Akira's Sonnet*), and Isla (*GCh Lookatmese Bon Isla*). Sonnet has produced beautiful show quality kittens. Max, her son by Hugo (*Shiloh Maksim De Neveah*) is a future stud cat in New Zealand, and Isla's mother is Shiloh Nalinee.

All our cats are first and foremost much loved 'pets'. Our aim for breeding Siamese is and always will be: to breed a Siamese with a loving nature, devoted to their owners and we strive to produce healthy well-adjusted kittens from top Australian and overseas bloodlines.

Triple trouble! Sonnet's three kittens, presumed to be two lilac and one blue point

ORIVET Genetic Pet Care is a leading genetic testing organisation that offers genetic services to Breeders, Veterinarians and Pet Owners worldwide.

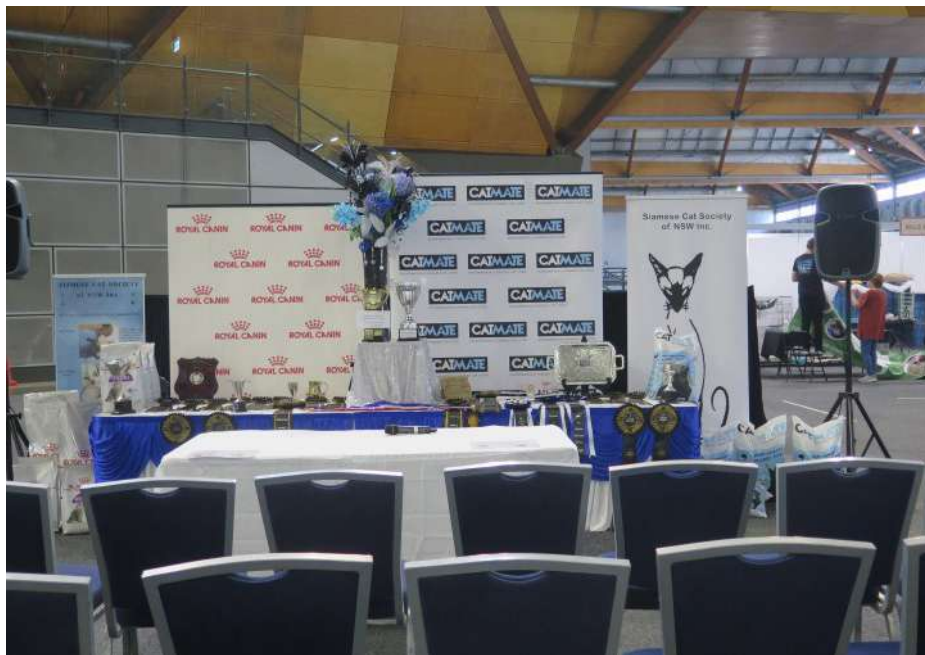

Orivet are sponsors of the **Siamese Cat Society of NSW** and offer a reduced price to our members for **PRA** (*Progressive Retinal Atrophy*) testing. PRA can be found in some cats' bloodlines. It can affect the cat's eyes causing loss of sight, usually between the age of 3 – 5 years.

A very simple DNA test is now available for **PRA**.

This test is available to all our members through a direct link from our internet web site found at: <https://www.siamesecatssociety.com/>

<https://www.oz-pet.net.au/>

Oz-Pet Cat and Pet Litter is deemed the **ORIGINAL** Wood Pellet Litter and was first introduced to Australia in 2004 by our Australian-owned company based in Woodburn NSW. Using waste sawdust materials from local mills in the Northern Rivers regions, Oz-Pet produce wood pellets that are ideal for Cat Litter, as well as Bedding for numerous varieties of animals.

Oz-Pet were the first to develop a **UNIQUE Two-Piece Sieve Tray** system that provides a more economical way to manage your cat litter use, giving you a longer lasting and odour-free litter. Our product is available in most pet stores around Australia, and can also be purchased from our online store, which also includes our accessories range. We have warehouses in Sydney, Newcastle, Melbourne, Adelaide, Perth and Hobart for fast delivery to service our customers.

Oz-Pet is ODOUR FREE - the biggest advantage of Oz-Pet is that it stops the strong odour and eliminates rather than masks the smell of ammonia. The eucalyptus oil in the pellets stop the bacteria growing that causes the smell.

A cat carrier is one of the safest and most efficient methods for transportation for your cat or pet. Need a cage for a cat show? Our collapsible metal cat cage is one of the most common cages used for cat shows around Australia. Our multiple level cat cages are also extremely popular amongst cat rescue groups, breeders and foster carers in Australia. Whether you are an average cat owner looking for a carrier for use in a car or plane or a cat breeder looking for a show cage, you'll find something to suit your requirements here.

CAT MATE: a Naturally Superior Performance in cat litter. Our eco-friendly wood pellet litter is the ideal solution for cat owners seeking quality cat litter that is easy to use and super absorbent. Our product contains natural oils that inhibit the growth of bacteria that cause the ammonia odour.

Understanding the Science

Catmate contains natural oils that inhibit the growth of bacteria that cause the ammonia smell. Catmate wood pellets are heavier than paper-based litter and don't stick to your cat's feet even when wet.

Tracking & Staining - Why it matters

Kitty Litter should be contained to the tray, you don't want it sticking to your cat's feet and ending up all over your home. A cat's feet and fur should remain the colour nature intended. **Catmate** has none of the pigments or added colouring that commonly stain cat fur (particularly white).
